## WELCOME TO THE SHOW & ACKNOWLEDGEMENTS

Welcome to the 2025 Portishead Summer Show. The show is organised, run and funded by the Portishead and District Horticultural Society and is the oldest community event in Portishead, the first being held in 1863. The show is primarily an opportunity for the Portishead community, young and old, to come together in the summer to showcase local talent by entering the competition classes in addition to enjoying the arena entertainment.

The show can only run because of the fantastic support we receive and we are extremely grateful to the many people who help us to make this popular event so successful. Particular thanks to the volunteers and stewards who help in setting up and dismantling the show, manning the gates, stewarding and administration and, of course, serving in the refreshment tent. Thanks also to the show judges who so professionally undertake their duties and to the Gordano Sports Centre management committee and Gordano School for the use of the car parking facilities.

The Portishead Summer Show costs in excess of £30,000 to put on due to the cost of hiring the marquees, toilets, security, entertainment and lots of other incidentals. We are therefore indebted to our many patrons, sponsors and members for their continued support and all the local traders who purchase advertising space, donate raffle prizes and sell schedules.

We hope you enjoy the show. If you would like to volunteer and get involved in this wonderful community event

## HINTS AND TIPS FOR NEW EXHIBITORS

We are delighted to have you with us. Some essential tips so that you know exactly what to do and when:

- Complete all details on both sides of the entry form at the back of the programme.
- Deliver entry form and fees to the Folk Hall in Portishead High Street on Saturday 19th July between 10am and 3pm OR to the Show Field on Monday and Tuesday between 10am-7pm as described on the entry form. Late entries will not be accepted.
- Photographic exhibits need their own form so complete a second form for those AND both photographs and form must be handed in by 7pm the Monday before the show.
- Handwriting and poetry exhibits also need to be given in by 7pm the Monday before the show.
- Collect entry (class) cards from the pavilion at the Show Field on Friday 6pm-9pm (you can take up to 10pm to stage the exhibits) or Saturday 7am-9am.
- Find the class number on the tables in one of the two marquees - horticultural (on the left) and handicraft & children's (on the right).
- Place your exhibit on the table with your entry card face down (so that only the class and exhibitor number on the back are showing).
- Come and enjoy the show!
- If you are lucky enough to have won 1st, 2nd or 3rd you can collect the prize money on Sunday 2.30pm-6.30pm from the pavilion
- We will announce the cup winners on a board which will be displayed at the front of the show office.
- Exhibits must not be removed before the show officially closes on Sunday. (Any perishable items not claimed by 6pm will be disposed of)

PLEASE NOTE THE OFFICE IS CLOSED FOR THE COLLECTION OF CLASS CARDS FROM 9PM FRIDAY TO 7AM SATURDAY.

### 3. CLASS CARDS

No exhibitor is to stage an exhibit until a class card has been obtained from the secretary's office. An infringement of this rule will disqualify the exhibitor from receiving a prize.

### 4. EXHIBITS

No prize shall be awarded for any exhibit where the exhibitor has received help or advice on the arrangement of the exhibit in classes 311 to 320.

### 5. INSPECTION OF EXHIBITS

The committee reserves the right to inspect the exhibits after the entries have been made. Any exhibitor refusing to allow a visit

shall, at the discretion of the committee, forfeit all entry fees and be excluded from exhibiting.

### 6. LIABILITY FOR LOSS OR DAMAGE

The committee will take no responsibility for loss or damage to exhibits, articles shown for display or sale, or personal property. Night security will be provided although the same conditions will apply as above.

### 7. JUDGES

The committee shall appoint the judges, who may give extra prizes for any exhibit that shall be deserving of that distinction, and may withhold prizes from any exhibit they may deem unworthy. No judges to be approached by any person other than official stewards. Any protest against the decisions of the judge of the award of a points prize must be made no later than 5pm on the Saturday of the show. Whilst an appeal is permitted, the committee reserves the right to charge £5 for this which will be refunded in the event that the appeal is upheld. Subject to the determination of any protest, THE JUDGES DECISION IS FINAL and BINDING.

### 8. HANDLING OF EXHIBITS

No person except the judges, committee, or exhibitor shall be allowed to touch or handle any specimen exhibited for competition after the exhibits are staged.

### 9. BONA FIDE OF EXHIBIT

No prize shall be awarded for any flowers, plants, fruit or vegetables, which have not been grown by the exhibitor at least two months before the show and the exhibits in all cookery and handicraft classes shall have been made or prepared by the exhibitor. Every exhibitor on making his/her entry will be required to make a declaration to this effect. Section 5 and children's classes are excluded from this ruling.

#### 10. DEFINITION OF AN AMATEUR

An amateur is a person who neither makes gardening a business nor employs a full time gardener. Only an amateur may enter in the member or novice classes.

#### 11. DEFINITION OF A NOVICE

A novice is a person who has not previously won a first prize in this show for a similar exhibit to that shown in the description of the class in which he or she is exhibiting e.g. a person who has won a first prize for an exhibit of dahlias in this show cannot enter in class no. 3.

#### 11a. DEFINITION OF A SENIOR CITIZEN

A person who is aged 60 or over at the date of the show.

#### 12. LIMITATION OF PRIZES

No exhibitor will be permitted to take more than one prize in each class (special prizes and challenge cups excepted).

#### 13. UNFAIR COMPETITION

Any person exhibiting flowers, plants or fruit belonging to another (excepting classes already stated in regulation 9) and entering them as his or her own, exercising any artifice to deceive the judges, or otherwise attempting to gain prizes by unfair means, or in any way infringing any of these rules, shall forfeit all prizes which may have been allotted to him or her, and the committee reserves to itself the power to refuse future entries from any such exhibitor. Complaints under this rule must be made to the secretary before 7pm on the first day of the show. Persons lodging complaints must deposit £5 with the secretary. Unless the case is proved, this deposit will be forfeited. The decision of the committee in all cases will be final.

#### 14. PRIZE MONEY

ALL PRIZE MONIES WILL BE PAID OUT ON THE FIELD AT THE TREASURER'S OFFICE FROM 3-6.30PM ON THE SECOND DAY OF THE SHOW. Where sponsorship has been obtained for prizes with a greater value than the published prize money then the sponsor's prize will be paid.

#### 14A. GRAND DRAW PRIZES

The society will be holding a grand prize draw for which tickets may be purchased at the horticultural stand in the horticultural marquee.

#### 15. REMOVAL OF EXHIBITS

Exhibits must not be removed until after the prize presentation on the second day of the show and must be removed before 6pm. Only legitimate exhibitors may remove exhibits.

16. All cut flowers to be shown in containers provided by the exhibitor. Fruit, vegetable and egg exhibitors must provide their own dishes.

17. Definitions of classes are taken from the 'Horticultural Show Handbook' published by the RHS.

#### 18. NAME OF EXHIBITS

All exhibits should be correctly named, if possible. Error in naming will not disqualify, but the judges will recognise correctness in naming as telling in favour of an exhibitor in a close competition. EXHIBITORS ARE ENCOURAGED TO MARK THEIR EXHIBITS WITH THE VARIETY NAME FOR THE BENEFIT OF OUR VISITORS.

#### 19. SPACING

Unless otherwise stated, spacings shown in the schedule are for the full width of table, ie approx 76cm.

20. For the purpose of the show, a bowl is a vessel for displaying cut flowers in water or for growing bulbous plants and having a diameter at its mouth at least equal to but usually greater than, its height. A vase is a vessel for displaying cut flowers in water and having a greater height than the diameter of its mouth.

21. The society shall not be responsible for any accidents arising from any cause to any person when assisting or visiting the show, or for any damage or loss, howsoever caused to the property of any such person.

## 22. DAHLIA CLASSES

GROUP CLASSIFICATION, FORMATION AND SIZES:

**CACTUS:** Cactus dahlias have fully double blooms, the ray florets are usually pointed; the majority are narrow and revolute for more than half their length.

**DECORATIVE:** Decorative dahlias have full double blooms, showing no disc. The ray florets are broad, generally flat or slightly twisted and usually bluntly pointed.

**EXHIBITS:** An exhibit of dahlias should be arranged so that all the blooms face in the same direction, are clear of each other and staged so that a pleasant and balanced exhibit is achieved.

All blooms should be staged with some dahlia foliage, preferably on the stem. The foliage should be clean, healthy and undamaged.

It is recommended that the names of all varieties should be clearly stated.

## SECTION 5 - FLORAL ARRANGEMENT

### Helpful hints for competitors

The measurements given are for your allotted space and should not be exceeded. Picking your plant material the night before arranging and cleaning the stems of foliage below the water line before giving a good drink of clean water, prior to arranging, will help keep your exhibit fresh during the show. Ensuring a good source of clean water in your chosen container will also help.

Exhibits may be brought ready done, where practical, providing it is your unaided work.

**1.** Classes nos: 311 to 319 will be judged in accordance with NAFAS Competition Manual, Fourth Edition 2023 (further information available from the chairman of Portishead Floral Art Society)

NAFAS rules state that disqualification will take place for any of the following reasons:

- Failure to comply with any specific requirements of a class as stated in a show schedule i.e. the measurements or the components
- Inclusion of artificial plant material (unless specifically allowed by a show schedule)
- Inclusion of any fresh plant material that does not have its roots or the cut ends of its stems in water or water-retaining material
- Exceptions: Air plants, cacti, fruits, grass turf, lichen, moss, succulents, vegetables and long-lasting plant material which will remain turgid for the duration of a show.

(Definition of 'turgid' - the state of firmness of plant tissue resulting from adequate moisture, causing the plant cells to be fully expanded)

**2.** ALL CLASSES are staged on runs of tables approximately 68.5 cm off the ground, covered in white paper. Space allowed width 75cm x depth 67.5cm, height limited to 120cm, except where otherwise specified.

**3.** Prize money in all classes 311 to 320 will be £2, £1, 50p unless otherwise stated

# CELEBRATING THE PORTISHEAD SUMMER SHOW

By Doctor of Chiropractic, Jack Cleeve

When given an editorial opportunity I usually talk about spines, posture and all things chiropractic—but this time I want to talk about something just as important: community. And there's no better example of Portishead's incredible community spirit than the Portishead Summer Show.

Growing up here, the show was always a highlight of my summer. The excitement, the atmosphere, the sense of togetherness—it was magical. Now, as a chiropractor running LIFE:ALIGNED, it's an honour to give back to the event that gave me so many great memories. This year, we're proudly sponsoring the children's fun sports events—because nothing beats the sight of

kids running, jumping and having an absolute blast.

The Summer Show isn't just about flowers and vegetables (though let's be honest, the competition is fierce!), it's about celebrating everything that makes Portishead special: local talent, family fun and that unmistakable buzz of a town that thrives when it comes together.

So, if you're heading to the show, soak it all in. Cheer on the kids, browse the stalls, eat the cake (trust me, you won't regret it). And know that events like these are what make Portishead feel like home.
